

Letter from Santa

“I would like to thank each and every one of the little darlings who came out to see me at the HAYC3 Holiday celebration. I love hearing your voices caroling around the gazebo that was decorated with beautiful ornaments made by HAYC3 after school program. I am so happy that the Village of Hoosick Falls let us use the park for this lovely event.

“I really enjoyed the parade and seeing all the kids of their families dressed up marching around the town. I am happy to announce the costumer winners: Most Festive--Ayla Fauler, Cutest--Andrew Wickenden, and Most Original went to the entire Girl Scout Troop #1259!

“I would like to thank the North Hoosick Fire Department for leading our parade and controlling the traffic while the children marched to the HAYC3 Armory.

“I never had such a heartfelt greeting like I had at the HAYC3 Armory on Friday Night. All of the boys and girls that waited to sit on my lap were patient and understanding in line. I will remember all of your good behavior while I am stuffing your stockings this year!”
