

## **It Takes a Village to Make a Village Thrive**

HAYC3 is about to embark on the ambitious task of readying the Armory for new events and programs to benefit the entire community -- and we need your help.

Volunteer Days will be held January 12 and 13 and February 16 and 23 starting 9am. With a bit of elbow grease, good humor and love from the entire community, we'll be able to revive this beautiful structure into a thriving hub for events, markets, galleries, recreation, studios, and more. If you can hold a paintbrush, push a broom, make a sandwich, change a light bulb, simply make a neighbor laugh, then you are more than qualified and, more importantly, needed!

Please stop by for any period that fits into your busy schedule. Any gift of time will be greatly appreciated. For more information please contact HAYC3 at 686-9050.
