

## **The Armory in Hoosick Falls is Now Handicap Accessible**

The newly-installed Chair Lift at The Armory in Hoosick Falls. The lift carries folks who need it from the Perry Room on the main floor to The Keep, which is downstairs, and back up again. Now everyone can stop by The HF Artisans Exchange and Market on the first Wednesday of every month as well as visit 120gallery90 and attend Music in Hoosic concerts in the Owl's Nest.
