HAYC3's Annual Love Your Village Clean Up a Great Success

Once again, over 250 community members, organizations and businesses turned out for the HAYC3's Annual Village Clean Up. Partnering with St. Gobain, windows were clean, new business store fronts were painted, gardens were primed, flower beds built, garbage picked up on trails, sidewalks swept, leaves raked and lawns were mowed. The clean up began early with the arrival of two large oak tress delivered by Ehannon Nursery for Wood Memorial Park. We are grateful to St. Gobain for purchasing the trees and for their staff who volunteered for the entire day. Special thank you to Suttonscapes who planted the trees, RM Bacon who delivered soil for the many projects and Whipstock Hill Preservation Society for funding the many projects for the day and to Niel Stowell and the village staff for their support.
